Metris S

Electronic Basin Mixer DN15 with temperature control, battery-operated

Description

- infrared sensor technology
- theft-proof aerator
- manual flow stop for cleaning
- temperature adjustable
- flow limiter 5 l/min.
- 6V battery
- dirt filter inside
- P-IX 18314/IA
- Performance may be impaired if the sensor is obscured by the design of the basin, or when the basin is oversized and the distance between sensor and the hand is > than 75mm
- to protect the Electronic Basin Mixer against dirt inlet we recommend the use of an Angle Valve with microfilter (no. 13904000)
