

Product data sheet (PDF)

Metris S

Electronic Basin Mixer DN15, with temperature control, with 230V mains connection

Description

- infrared sensor technology
- theft-proof aerator, manual flow stop for cleaning, dirt filter inside
- temperature adjustable, flow limiter 5 l/min
- P-IX 18314/IA
- Performance may be impaired if the sensor is obscured by the design of the basin, or when the basin is oversized and the distance between sensor and the hand is > than 75mm
- to protect the Electronic Basin Mixer against dirt inlet we recommend the use of an Angle Valve with microfilter (no. 13904000)

Surfaces

Art. no.

chrome

31102000
