

SCHÉMA MONTÁŽE PODOMÍTKOVÉ SPRCHOVÉ BATERIE

Mounting schema for built-in mixers

Baterie musí být instalována ve znázorněné poloze.

The mixer must be installed in the same position as demonstrated in the picture.

Přívod teplé vody vlevo, studené vpravo.

The hot-water inlet is situated on the left hand side, the cold-water inlet on the right hand side.
